Lederer-Pierce Research Forum Fact Sheet for 2023

We are pleased to announce the annual Lederer-Pierce Research Forum for 2023. The CL&O Society encourages and fosters medical research and teaching, and the annual Lederer-Pierce Award recognizes clinical research by otolaryngology residents in testimony to this commitment.

The 2023 Lederer-Pierce competition is scheduled for **Wednesday, May 17 in-person**. We'll be meeting at the American College of Surgeons building in downtown Chicago. A reception begins at 5:00 p.m. and presentations will get underway at 5:45 p.m. Winners will be announced at the conclusion of the evening.

Please note the following important facts and deadlines for this year's competition:

- Number of submissions – Each resident/contestant may submit only one abstract, but there is no limit to the number of submissions for each program.
- Names of contestants – We ask that each residency program submit the names of those who will be submitting an abstract no later than May 3rd. Email your list of names to the CL&O office: Rich@RichardPaulAssociates.com
- Abstracts –
 - Abstracts are limited to **one page** and should follow the standard format: Author's name; Title of the Paper; Introduction/background summary; Methods; Results; Conclusions
 - Submit your abstract in **Word format** and send to the CL&O administrative office by email: Rich@RichardPaulAssociates.com. The cover email must include the full name & degree of the author, the residency program, email address, **mailing** address, and preferred phone number.
 - **Abstracts are due no later than Friday, May 12, 2023, at 5:00 p.m.** Please note this is a *firm* deadline. Late abstracts will not be considered.
 - Projects may be a clinical subject or a basic science topic.
- Presentations –
 - Time for each live presentation is limited to **5 minutes**.
 - Every presentation must include a mandatory disclosure slide immediately following the title slide. A template disclosure slide can be downloaded from the CL&O website or we can email it upon request (contact the CL&O office).
 - **PowerPoint files must be sent to the CL&O office no later than 12 noon on Tuesday, May 16.** Late presentations, updated PowerPoint files or presentations in Keynote format will not be accepted. Make sure any attending faculty working with a resident is aware of this critical deadline.
- Judging/winners
 - Winners will be announced at the conclusion of the event on May 17, as well as on the CL&O website.
 - Prizes: 1st prize: \$750; 2nd prize: \$500; 3rd prize: \$250
 - Scoring will be based on both content and presentation.
 - Judges will complete their evaluations immediately following the presentations. In fairness to the contestants, judges will not score residents from their own program.
